REGROUP MASS NOTIFICATION OFFERS COST-EFFECTIVE SOLUTIONS THAT HELP YOU OVERCOME COMMUNICATION CHALLENGES, WHILE AT THE SAME TIME REDUCING OVERALL COSTS. KEEP YOUR MOBILE WORKFORCE SAFE AND INFORMED WITH REGROUP'S SIMPLE, COST-EFFECTIVE SOLUTION FOR CRITICAL AND NON-CRITICAL MASS COMMUNICATION.

FAST AND EASY COMMUNICATION

Regroup's exclusive QuickPost feature enables you to alert entire teams when changes or issues arise with only 2-taps based on geographic location, job title, and more.

ANYWHERE AND EVERYWHERE

Send and receive alerts via text/SMS, voice calls, email, push notifications, desktop, mobile app, and more. Regroup can easily integrate with jobsite PA speakers, employee radios, and other communication tools as needed.

UNLIMITED GROUPS

Regroup allows you to create unlimited communication groups for each jobsite, department, shift, or whatever you need to reach the right people with the right messages. Examples include groups for day or night shifts, electricians vs. plumbers, entire job sites, and more.

GEOFENCE MESSAGES

Only Regroup allows you to establish notification boundaries around hard-hat or dangerous areas to automatically send workers reminders when they're entering or exiting those locations. Help reduce accidents and keep safety top-of-mind with well-timed, relevant alerts.

FREE MOBILE APP

Regroup Mobile allows you to send push notifications to recipients even when their device's screen is locked and Regroup's mobile app is closed. This ensures that critical alerts will not be overlooked in an emergency.
