

BETTER COMMUNICATIONS FOR THE HOSPITALITY INDUSTRY

REGROUP OFFERS EMERGENCY AND DAY TO DAY SOLUTIONS FOR RESORTS, CASINOS, HOTELS, RESTAURANTS, EVENT VENUES AND MORE. OUR EFFECTIVE, EASY-TO-USE, AND RELIABLE PLATFORM ENABLES YOU TO SEND IMPORTANT NOTIFICATIONS TO THOSE WHO NEED THEM.

"Of all the mass notification providers we looked into, Regroup was most willing to work with us on each specific need we had. They took the time to understand our goals and objectives, and they were willing to collaborate. They really helped us work through solutions at every step in the process."

Marcos Perez - Security Manager, American Airlines Arena

RESTAURANTS & FOOD SERVICE

Protect your staff, facilities, assets, and operations from threats to the company's viability such as food recalls, robberies, workplace violence, public unrest, logistical disruptions, and even terrorism with Regroup's solutions.

HOTELS & CASINOS

Give your staff a tool to overcome communication challenges and improve guest experience. Departments can coordinate their activities better, and Regroup gives you the power to immediately alert the entire premises in the event of severe weather, fires, or other emergencies.

EVENT & LARGE VENUES

Enhance your guest experience every day by sending details about parking, traffic, and entry security to ticket holders. You can also keep people safe with our reliable platform for security staff to communicate clearly and quickly during emergencies.
