

BETTER COMMUNICATIONS FOR STADIUMS AND LARGER VENUES

REGROUP OFFERS EMERGENCY AND DAY-TO-DAY MASS COMMUNICATION SOLUTIONS FOR STADIUMS AND LARGE VENUES. OUR EFFECTIVE, EASY-TO-USE, AND RELIABLE PLATFORM ENABLES YOU TO SEND IMPORTANT NOTIFICATIONS TO THOSE WHO NEED THEM.

"Of all the mass notification providers we looked into, Regroup was most willing to work with us on each specific need we had. They took the time to understand our goals and objectives, and they were willing to collaborate. They really helped us work through solutions at every step in the process."

Marcos Perez - Security Manager, American Airlines Arena

ENHANCE YOUR GUEST EXPERIENCE

Regroup makes it easy for your guests to text to join groups so they can receive routine messages about traffic delays, event parking, entrance security, and more. Simple updates delivered to the palm of their hand can make each event more enjoyable and run smoother for everyone.

INCREASE SITUATIONAL AWARENESS

Give security teams the tools they need to help prevent and respond to security threats and critical events. Two-way messaging enables you to communicate with dispersed teams to keep everyone updated at all times.

MOBILE COMMUNICATION

Regroup makes mobile communication efficient and easy. Keep teams connected on the go with our mobile app, and reach everyone in your facility on their mobile phones with easy opt-in solutions for SMS or push notifications that can be geotargeted.

FAST, INTEGRATED CRITICAL ALERTING

Regroup integrates with third-party systems like digital signage, sirens, PA speakers, and access control systems to ensure the entire premises receives important alerts without fail. Additionally, QuickPost Templates enable you to reduce human error and send critical alerts with only two taps from web or mobile devices.
