

# QUICK CONFERENCE

Easily launch conferences with groups or your entire team.

## THE CHALLENGE

Some emergencies require more than just a notification. You may need to gather people quickly into a live meeting to decide next steps.

This requires a way for them to immediately join a conference call in real-time.

## THE SOLUTION

Quick Conference allows you to quickly summon team members into a conference call using the full range of Regroup platform options.

Quick Conference allows an audience of up to 50 people to join via email, SMS and Mobile App.

## SUMMON YOUR TEAM INTO A CONFERENCE ANYTIME

*The most efficient and convenient conferencing there is.*

### TAKE ACTION QUICKLY FROM A SINGLE PAGE

Quickly launch a conference call by selecting participants, your sender profile, host and an invitation message.

### REPORTS ON RESULTS AND PARTICIPATION

Produce accurate reports that show who joined the conference call, who declined and who didn't respond.

### EASY TO SET UP AND LAUNCH

Admins can easily send a quick message to different groups of users for critical and daily communications.

**“Regroup’s messages are reliably and promptly received.  
We tried other systems and chose Regroup.”**

— David A. - VP, CIO - Enterprise

Since 2006, Regroup Mass Notification has provided a cloud-based, multi-channel mass notification platform for emergency and routine applications. Serving the educational community, enterprise, manufacturing, finance and government, Regroup’s continual pursuit of excellence has made it the most trusted name in mass notification and a leading-edge provider of smart communication solutions for clients throughout North America.
