

SMS AUTO RETRY & SMS CHARACTERS

Ensure the message is delivered with the right content through the right channels.

THE CHALLENGE

Organizations need to quickly and easily send a variety of messages to numerous contacts at once. But, how can they ensure messages are delivered and in their entirety?

THE SOLUTION

Regroup automatically resends SMS messages until delivered and gives you the ability to customize their re-send settings.

Plus, you can send custom content with an unlimited number of characters for every channel.

TAKE THE WORRY OUT OF MESSAGING LARGE GROUPS

SMS AUTO RETRY

Regroup will retry your message until successful delivery or a successful reply. You can also customize the number of times a message send is attempted.

SMS CHARACTERS

Regroup allows up to 160 characters on SMS messages. Need to send more? You can also send a link in your SMS to the full message content.

“Solid platform and responsive staff. Regroup is affordable, simple to set up and diverse enough to implement in any fashion we need.”

Robert W. - Director of Applications - Enterprise —>1,000 Employees

Since 2006, Regroup Mass Notification has provided a cloud-based, multi-channel mass notification platform for emergency and routine applications. Serving the educational community, enterprise, manufacturing, finance and government, Regroup’s continual pursuit of excellence has made it the most trusted name in mass notification and a leading-edge provider of smart communication solutions for clients throughout North America.
