

TIP SAFE

Anonymous Incident Reporting from Regroup

THE CHALLENGE

When an emergency or incident unfolds, individuals need a tool that allows them to safely and anonymously reach out for assistance or report a situation.

A reliable and secure tool is needed for time-sensitive information to be routed instantly to the appropriate authorities, in a variety of formats, across multiple devices.

THE SOLUTION

TipSafe provides a way for users to safely and securely send anonymous tips, directly from their mobile devices in real-time.

TipSafe provides anonymous, two-way texting and allows time-sensitive information to be delivered to the appropriate party or authority.

POWERFUL, ANONYMOUS AND EASY TO USE

PRIVATE AND SECURE

Send anonymous tips directly to a pre-configured, secure group. Sender name and location are never disclosed.

EASY AND AFFORDABLE

TipSafe requires no changes to your organization's infrastructure and is easy to set up, deploy and use.

MULTIPLE MESSAGE OPTIONS

Anonymous tips can be delivered to designated recipients via email, text/sms, TTS/voice and Regroup Mobile.

REAL-TIME AND TWO-WAY

Anonymous tips are sent in real-time via and allow for secure two-way instant communication between reporters and security professionals.

“Regroup’s people are great to work with and very responsive.”
